

Futures φ9 project

In March 2009, 30 people will embark on a two-week cycle challenge through the streets of Cambodia. They will be riding to help the millions of innocent children who are forced into sexual slavery every year, a billion dollar industry in SE Asia.

Raise a minimum of \$6,000 for the Somaly Mam Foundation and come on a journey that will uplift your heart, challenge your mind, but most importantly, free a child from a lifetime of suffering.
